

**\*\*SAVE THE DATE VIRTUAL TWO- ½ DAY PD EVENT\*\***

The **Public Business Accountants (BC) & Public Management Accountant Committee (PMAC) Society** will be sponsoring their two-1/2 day Professional Development sessions on Friday October 21 and Saturday October 22.

**Ken PULS, CPA, President & CEO – Excel Guru  
The Trouble with Data**

Join this interactive session as Ken walks us through many secrets of Excel. Make the most of the data you are already collecting for you and your customers and participate in Ken's Q&A session.

**Melanie PADDON, RCMP (retired) – Financial Crimes investigator  
What is Money Laundering**

Melanie will outline some common schemes, discuss Underground Banking and the Cullen Commission and will provide tips as to what to look for when reviewing bank accounts.

**Hugh WOOLLEY CPA, CMA, Partner – Lewis and Company  
Fireside Chat PLUS Investments in Corporations**

Please send questions to Hugh through [PMACSOCIETY@GMAIL.COM](mailto:PMACSOCIETY@GMAIL.COM)  
BY SEPTEMBER 30TH.

Investments in a corporation bring specific challenges when preparing the corporate tax returns. Required schedules and opportunities can easily be missed. Hugh will take you through the preparation of a T2 with investment income of all types and the effects on NERDTH, RDTTH and CDA balances. He will respond to tax questions submitted in advance by the registrants.

**Jeff MORRIS, Director of Sales – e Courier  
Secure Email and File Transfer**

Many accountants and tax professionals still use non-secure email to share private, sensitive information and files with clients and other third parties, or to obtain signatures on documents.

Jeff will walk us through E-Courier's highly secure, easy to use 2 way message and file transfer service including specialized security and productivity features, delivery tracking and the ability to revoke messages or files sent in error.
